MEMORANDUM FOR: Chief, Information Systems Analysis Staff

INFO: Chief, Regulations Control Branch
✓ Chief, Records Administration Branch

FROM: Gale W. Allen
Chief, Classification Review Branch

SUBJECT: Addendum to
--"Challenges to Classification"

STAT

1. Attached is a draft item for inclusion in , Agency Information Security Program Handbook. This new item could be added either as a paragraph (#17) under Chapter V of the Handbook or, as also suggested in the draft, as a new Chapter (#VIII) by itself.

STAT

2. The Agency is now committed to publication of the Handbook's major provisions in the Federal Register as soon as practicable, so that early action to get this and other changes incorporated is desirable. FYI, we are also submitting a partial rewrite of paragraph 15, Chapter V (in addition to the revision of paragraph 15b already forwarded) and a new Chapter (#VIII or #IX) covering "sanctions." Both the latter (now in preparation) and the "challenges to classification" item (attached) are necessary under the terms of Executive Order 12065 and should be included in the Federal Register version of the Handbook when it is published.

3. In my absence, please contact who is the CRG officer in charge of the above addenda and revisions, in regard to any problems or queries that may arise concerning them.
